SDAO Board of Directors & Management Staff Trainings

Dear Ron,

Thank you for your patience as we pivot our Board of Directors and Management Staff Trainings to a full virtual experience. As we shared on Tuesday, with the continued changing landscape of COVID-19 and the Delta variant, we will no longer be holding in-person trainings for this series. Instead, we will be segmenting the seven-hour training into two parts which will be broadcast live on August 31st and September 2nd via GoToWebinar. These webinars will be offered at no cost.

For those that cannot attend the trainings on August 31st and September 2nd, we will broadcast recordings of the two trainings on September 7th and 9th on GoToWebinar followed by a live Q&A session held via Microsoft Teams (links are provided on registration confirmation page). If these dates also do not work for your schedule, we will be posting recordings on our website on September 10th.

ATTENDEES ALREADY REGISTERED FOR VIRTUAL OPTION

For attendees already registered for the virtual option, we will transfer your registration over to both August 31st and September 2nd. If one or both of these dates do not work for you, please register for the pre-recorded broadcasts or watch for the recordings on our website. Please watch for two confirmation emails to come from SDAO Webinars by 5pm on August 27th.

Over the next couple of weeks, we will be issuing refunds to all registrants that paid for the August 31st, September 2nd, September 7th or September 9th trainings. If you paid by check, we will either return your check or process and mail a refund check to your district. Credit card refunds should appear on your next billing statement.
